What is the Community Hall/Outdoor Amenity Capital Assistance Grant?

Yellowhead County has grant funding available to registered not-for-profit community groups and societies to assist with funding capital projects for the use and enjoyment of County residents.

Grant Guidelines

1. Applicants should contact a Yellowhead County Recreation staff person to discuss the project prior to the grant application. Applicants may also attend recreation board meetings to discuss their application.
2. Applicants should identify if additional sources of revenue were sought (e.g., Alberta Lottery Fund).
3. Retroactive funding will not be considered, nor will applications for projects that duplicate existing facilities in a community. Emergency funding will be considered on a case-by-case basis.
4. Applications will be reviewed, and grants awarded quarterly, with application deadlines being on March 31st, June 15th, September 30th and December 31st each year.
5. Applicants can expect a response regarding their grant request 4-6 weeks from the application deadline.
6. Applicants are responsible for completing a Community Hall / Outdoor Amenity Capital Assistance Grant application for each project. All sections of the application must be completed.
7. The application must be accompanied by:
 - a. Particulars of the current executive and/or board of directors of the organization,
 - b. Evidence the organization is in good standing under the non-profit societies act.
 - c. The previous year's annual financial statement, duly signed and dated, and
 - d. Proof of liability insurance coverage.
 - e. All estimates received for the project.
8. Applications for new facilities may require submitting a needs assessment and/or project feasibility plan.
9. A financial accounting report of the project must be submitted within six months of its completion.
10. Applicants will be eligible to receive up to 50% of the total project cost to a maximum of \$15,000 in funding per project.
11. All requests for funding over \$15,000 will be referred to County Council for consideration.
12. Applicants who have previously received any type of grant funding from Yellowhead County but have not submitted the requisite financial accounting for the grant(s) will not be eligible for funding under this program until all outstanding accounting requirements have been met.
13. Applicants must provide recognition of Yellowhead County's contribution to the project.
