Order by the Road Weight Committee for Yellowhead County

Highway Order Number 140 Defining Maximum Allowable Weights Permitted on certain municipal roads.

Pursuant to the authority granted by the Minister of Transportation under the Traffic Safety Act, RSA 2000; c.T-6 and Yellowhead County Bylaw No. 39.06, the Road Weight Committee orders that effective at 9:00 A.M. on the 9th day of JULY, 2025 all Yellowhead County GRAVEL ROAD Axle Weight Restrictions will be rescinded to Legal Axle Loading, unless roads are otherwise posted and/or listed below. ALL OILED LOCAL ROADS, HAMLETS AND SUBDIVISIONS shall be restricted to 75% legal axle loading 24 HOURS per day.

| Road Number or Name | Location | Percentage Axle Weight |
|-----------------------------------|----------------------------------------------------|------------------------|
| Carldale Road | From Hwy 16 to the west boundary of SW-14-52-24-W5 | 75 |
| Sarin Access Road Range Rd 165 | From old Hwy 16 (Twp 533A) to Twp 534 | 75 |
